### **LWV Available to Organize Candidates Forums for November Elections**

The League of Women Voters of Greater Red Bank is available to host municipal and school board election forums for the November 2, 2021 election.

During the time of COVID, we adapted our forums to virtual webinars employing the same rules we have always followed for in-person events including using professionally trained moderators who have no connection to candidates or the towns of elections. Our members curate questions to cover every salient point and issue harvested from local residents. We screen out divisive questions or personal attacks to maintain a civil and decorous program.

We can provide the forum through a sponsor, such as a civic association or PTA, for a very nominal fee or directly with candidates who will equally share in the modest cost. People who register for the forum can view it in real time. A link to our website will be made available directly after the forum with a recording of the program for further distribution. For further information please contact either Marianne Kligman; [mariannekligman@gmail.com](mailto:mariannekligman@gmail.com) at 732-758-9089 or Vanessa Merhi; [vanessamerhi@gmail.com](mailto:vanessamerhi@gmail.com), 732-772-0863, Co-Directors of Voters' Services, League of Women Voters Greater Red Bank Area.
